## VIP Table Lamp Competition

The object of this contest is to provide an opportunity for the creative, innovative, and artsy members of our FIRST FRC teams to showcase their talents by creating a lamp for the Central Illinois Regional Competition.

We are asking teams who would like to participate to make a centerpiece lamp to be used during the VIP Breakfast held on Friday, February 28th. Entries must be received by 12pm on Thursday, February 27<sup>th</sup> for judging and use at the VIP breakfast. An award will be given for the most creative entry. The winning entry will be featured on the Central Illinois Regional web page and used by the Regional Planning committee in any advertising and future promotion of the event.

The guidelines are simple.

1. Size—24" high and max 18" in diameter. Not too tall to sit on Tables
2. Theme can be the team's choice or combination of FIRST logo, Central Illinois Regional, this year's Game, and robot parts to design and make the LAMP.
3. Use the FIRST Green e-watt saver bulb
4. Minimum 6' long electrical cord
5. Must be ready no later than 12 PM on Thursday, February 27, 2014

**The deadline for your response is NO LATER THAN THURSDAY, JANUARY 30th, 2014**, if your team will be participating. The lamps will be returned to the teams at the end of the competition.

Thank you,

*Central Illinois Regional Planning Committee*

**Note: deadline for response extended to Friday, February 14, 2014.**
