

ANNOUNCING!!! THE WORLD'S GREATEST ROBOTIC POSTER CONTEST

Since circuses first came to town, innovative circus illustrators designed eye catching posters alerting an excited public of the circus's arrival.

In that spirit, the Central Illinois Regional in Pekin Illinois is holding a cool Robotic Poster Contest with prizes and boasting rights for the top 5 posters created by the Teams competing in the Regional.

Most all posters entered in this Contest will be **PLASTERED** all over Central Illinois, the Teams' home towns and emailed to all major newspapers, magazines and television stations - local and foreign.

ENTER up to 5 poster designs per Team and if your poster(s) are picked as "Best", it will win your Team prizes and recognition!

Go to RobotPosterContest.org
to read the Rules and **ENTER YOUR POSTERS!!!**
